

DOMINIO DE PUNCTUM

## Lobetia – Chardonnay

COUNTRY: Spain  
REGION: VT Castilla  
SOIL: Clay and limestone,  
800m altitude above sea  
level

### USDA – Wine made with organic grapes

- Alcohol content: 14.1%
- Brix at harvest: 25.3°
- pH: 3.2
- Acidity: 5.2

*Lobetia comes from the Lobetani, a small pre-Roman Iberian people of ancient Spain, established near where our vineyard stands today. This wine takes part of the heritage and tradition of the land, the same way the Lobetani did.*

### Background:

This wine is a true reflection of the soil where it has been grown. Its fruity and fresh flavor showcases the expression of its terroir. The Chardonnay grape adapts perfectly to clay and limestone soil such as ours.

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

### Tasting notes:

Pale yellow with a pale gold hue. Full exotic fruits like pineapple and banana with notes of apple and pear. Fresh, bright, and medium bodied with full tropical fruit following through from the nose.

### Grape variety

100% Chardonnay.  
Organic vines planted in 2005.

### Vinification

By winemaker Ruth Fernández. The grapes are harvested during the night in August. Alcoholic fermentation is carried out in stainless steel tanks with the temperature controlled between 16°C and 18°C. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

### Made with Organic Grapes

Organically Farmed – No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
