Lobetia comes from the Lobetani, a small pre-Roman Iberian people of ancient Spain, established near where our vineyard stands today. This wine takes part of the heritage and tradition of the land, the same way the Lobetani did.

Background:

This rosé is a perfect pick for those looking for balance and a fruity nose. The Garnacha grape is indigenous to Spain, but is widely planted all over the world. This grape especially thrives in Castilla. Lobetia Rosé will delight anyone hunting for a fresh everyday drinking rosé.

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

Tasting notes:

Shiny raspberry pink color. Red cherries bouquet on the nose. Bright and fresh with strawberry and light citrus flavors on the palate.

Grape variety

100% Garnacha.
Organic vines planted in 2005.

Vinification

By winemaker Ruth Fernández. During the night, the grapes are harvested to keep their optimal temperature, and they are also cold macerated before fermenting. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

Made with Organic Grapes

Organically Farmed – No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
