Pablo Claro is the story of a dream. A dream to make Spanish wine committed to sustainability and biodynamic practices.

Background:

As a Special Selection, the grapes for this wine are chosen with the utmost care and attention to detail. Our winemaking team combines their fifteen years of experience and the organic and biodynamic techniques to achieve an exceptional result.

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

Tasting notes:

Deep dark cherry color. Aromas of spice, vanilla and ripe fruits on the nose. Well structured, with sweet tannins, full body, harmonious and long finish.
