Pablo Claro is the story of a dream. A dream to make Spanish wine committed to sustainability and biodynamic practices.

Background:

As a Special Selection, the grapes for this wine are chosen with the utmost care and attention to detail. Our winemaking team combines their fifteen years of experience and the organic and biodynamic techniques to achieve an exceptional result.

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

Tasting notes:

Golden hue with green notes. Aromas of citrus on the nose. Medium bodied with crispy acidity that leads into elegant minerality that lasts on the palate.

Grape variety

100% Sauvignon Blanc.
Organic vines planted in 2005.

Vinification

By winemaker Ruth Fernández.
Harvested at night so our grapes are of optimal temperature before pressing. Then macerated for one day at a temperature of 7°C, and then raised steadily to 15°C during the fermentation period. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.
Wild indigenous yeast.

Made with Organic Grapes

Organically Farmed – No chemical pesticides or herbicides used.
No GMO Yeast Used.
Less than 100ppm Sulfites.
