Lobetia comes from the Lobetani, a small pre-Roman Iberian people of ancient Spain, established near where our vineyard stands today. This wine takes part of the heritage and tradition of the land, the same way the Lobetani did.

Background:

Since its debut fifteen years ago, Dominio de Punctum has been producing award-winning organic wines. Our winemaking team, lead by our female oenologist, strives to deliver bright and well-balanced wines that capture the terroir, such as this Lobetia Cabernet Sauvignon.

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.
